

July 2026

Dear student, family and carers,

We are nearing the end of the academic year, and I would like to say thank you to all the students for the wonderful work you have done this year and to families for the support you have provided. All your efforts are really appreciated.

The last two weeks of this term will be full of interesting activities which may include being out and about. To reduce anxiety, we sent the timetable with students last week.

- We hope everyone will join in with the activities. However, **there will be couple of teachers and TAs in college each day to look after anybody who is unable to take part.**
- All lunches will be provided, as usual, and there will not be anything that needs paying for.
- It would be good idea to bring a raincoat of some kind each day.
- We also would like all the students with bus passes to bring them to college every day.
- All students should attend on their usual days.

Scarborough trip:

- Bus will be waiting from 10am, we aim to leave 10:30am the latest.
- Bus journey takes about 2 hours.
- We will provide lunch for students and spend some time on the beach.
- If they wish, students may bring a small amount of money to spend, and some snacks to eat on the bus - we do not expect them to pay for anything.
- Unfortunately, we will need to leave at 2pm to arrive back at Swarthmore for 4pm, in time for the transport.

There will not be social evenings on 4th or 11th July.

A reminder about sensible clothing and shoes - we are not on holiday yet!

Please have sunglasses if you wish and suncream if you need it.

NO FLIPFLOPS - these are dangerous at college – sensible sandals or shoes please.

NO VEST TOPS, or tiny SHORTS, or SKIRTS, for anyone.
