#### CHAIR'S STATEMENT FOR THE YEAR ENDED 31 JULY 2023

In my sixth year as Chair at Swarthmore and one in which we sought to put COVID behind us, face the cost-of-living crisis headlong and move from "striving to thriving" - I believe we have made immense progress.

In recognition of the hard work of our staff all Trustees agreed the need to increase pay by circa 5% across the board. Alongside that our income increased by £150,000, moving from £1.6m to £1.75m turnover. This included more students in adult education classes, more room hire, better coffee bar income, and a range of other additional income including our "Art at the Heart", "Be More" and "Creative Communities", all aimed at improving educational opportunities for those most disadvantaged in our communities. We reduced costs for our software and licensing, telephony and contracting out services. All very positive stuff.

However, that was counterbalanced by the increases in utility costs of £65,000 and the 8% interest charge on the Government's Coronavirus Business Interruption Loan Scheme (CBILS) that we needed to enable us to get through COVID. This has resulted in us being in a deficit position at the end of the year.

For the second year in a row, we were awarded the Education North award for our excellent community engagement. We offered a warm spaces opportunity for those in the community who were struggling in the cost-of-living crisis. In addition, we offered a series of unwind sessions to support the mental health of both our staff and students. A wide range of capital improvements have taken place to the building including hall refurbishment, reception area, and painting and updating across all rooms.

I am greatly encouraged by the improved relations with external partners, which has resulted in the money coming in much quicker to the organisation. There is also a very positive ethos and increased energy from our management right through to our staff on the ground, creating a new culture that is striving to make continuous improvements, be the best and maintain and ensure there is a forward-thinking philosophy.

I feel that we are well placed to face the real challenges of the 2023/24 financial year with greater confidence and compassion as we continue to support our staff and students to do, and be, their best for lifelong learning across the city of Leeds.

Julie Badon

Date: 21 February 2023

#### TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2023

The Trustees present their annual report together with the audited financial statements of the Swarthmore Education Centre for the year 1 August 2022 to 31 July 2023. The annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

#### Objectives and activities

#### Policies and objectives

The objects of the company shall be to promote the education of the residents of Leeds and surrounding areas through the provision of an educational establishment, and in particular but not exclusively:

- (a) to provide a learning community for personal development and social activity for those who may have been excluded from mainstream educational opportunities;
- (b) to provide opportunities and activities for the benefit of the community based on the recognition of the skills and experience which all people bring.

The vision that shapes our annual activities remains the promotion of education, encouragement to participate through friendly learning whilst ensuring equality of opportunity for all. The charity also has the general aim of contributing to the quality of life of the people of Leeds by expanding their horizons through the provision of exciting, challenging and accessible professional and community courses and events.

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance "public benefit: running a charity (PB2)". Swarthmore relies on a combination of public funding and the income from fees and charges to cover its operating costs. Affordability and access to our courses and activities is important to us and is reflected in our pricing policy set out in detail later in this report.

Swarthmore's focus moved from recovering from the Impact of Covid to mitigating the financial risks presented by the emerging Cost of Living Crisis. A greater number and range of courses were made available for students to attend, as well as further exploration for new revenue streams, including Grants for Projects. The result was the successful allocation of funding for the BeMore project, the Unwind project, and confirmation of significant funding for a 2 year project called Creative Communities.

#### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JULY 2023

#### Objectives and activities (continued)

In April 2022, we won the Educate North Digital Education and Development Award for our Swarthmore Connected project. A proud achievement for our work during the pandemic.

We placed extra resource into promoting our exhibition space in the Café, successfully attracting a new and varied selection of contributors. Hosting launch evenings promoted the space and raised awareness of Swarthmore.

#### Strategies employed

The strategies employed to achieve the charity's aims and objectives are to:

- Deliver a broad range of courses, projects, events and exhibitions for the enjoyment and education of our local community.
- Offer opportunities for adults to get involved in education, personal enrichment, developing their confidence, self-esteem, employability, digital skills, knowledge and understanding.
- Provide facilities for organisations and individuals who share our values to hire space to facilitate meetings, talks and hold events at discounted rates.
- Provide facilities for our students, staff and members of the public to eat and socialise in our Cafe at affordable prices.
- Provide information, advice and guidance to all adults to help them prepare for their next steps to education, employment and volunteering.

The Finance Committee explored opportunities for the organisation to ensure future success. It was identified that the greatest opportunities to generate surplus funds would be from growth of Income rather than cost cutting exercises. The main areas were highlighted as having the greatest impact:

- The diversity and availability of Swarthmore's own courses, resulting in a drive to recruit more/new tutors/talent.
- Expanding the range of courses, allowing us to run workshops and taster sessions, introducing potential new students to the centre and its specialist art facilities.
- Improving facilitation of Room hire to utilise space not being used for classes/workshops.

In addition to the new sources of Income, it is necessary to build upon Swarthmore's reputation and to raise awareness of the centre, focussing on the range of courses, the talent of Tutors, and the facilities and spaces available for multiple uses. More resource would be added to support marketing, events, and social media engagement.

Alongside word of mouth, an improvement in the use of social media, has proven an efficient and effective way to raise awareness to a much wider audience.

The Website is to be redeveloped/refreshed to make it more accessible and easier to navigate when looking for information or to enrol on courses or workshops.

#### Adult Education programmes

We offer an extensive range of courses in the Arts, Crafts, Languages, Health and Wellbeing, Maths, English and ESOL. These range in level from entry to level 3, accredited and non-accredited, short courses and year long courses. We offer a range of supported courses for those students requiring additional support for their learning. We work with partners to deliver courses and activities out in the community to reach groups of people that would not normally access the Centre. This year we have focussed on recruiting new tutors to facilitate a greater range of workshops and courses.

#### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JULY 2023

#### Objectives and activities (continued)

#### **Study Programme**

We provide a full-time study programme for young adults with learning difficulties who develop skills to improve their independence and support them to progress to further learning, work or volunteering opportunities. The ESFA contract increased this year, enabling us to support 80 students within the programme. Flexible learning enables students to access education in a way and at a pace that suits their needs.

At the end of the Academic Year there was a change in Management, as after a long career developing the study programme, Amanda Torbitt retired from her role as Manager. We were pleased that an internal candidate, Malgorzata Ciesluk, was successfully appointed to that role which has provided continuity for both the team and the students.

#### **Volunteers**

Swarthmore is fortunate to have a number of volunteers, who this year provided invaluable support to our funded projects, such as Art at the Heart and BeMore.

Several of our volunteers went on to successfully apply for roles as Learning Support Assistants at the centre.

The Trustee Council is also made up entirely of volunteers who bring their skills and knowledge to support the Governance of the Centre.

#### Hire of facilities

Our centre has a diverse range of rental spaces, including specialist art facilities, small, medium and large rooms, and a Hall. This allows us to accommodate a wide range of needs and requirements in the community. We offer discounted rates, specifically tailored for charities and local groups seeking venues for meetings, events, and educational courses. Our facilities continue to be embraced by both occasional users and established groups like the Trade Unions Council, Little London and Woodhouse Neighbourhood Group and Leeds People's Choir.

We continued to review our room rental fees and remain competitive and economically viable. We saw an increase in room hire bookings this year.

#### Cafe

The cafe is the social hub of the Centre and a valuable resource to students, members of the public and staff. It also provides an environment for exhibitions. Swarthmore provided a "warm space" using funding from [Voluntary Action Leeds] with the Café providing a hot meal and a drink for those most affected by the impact of the Cost of Living Crisis.

#### Information and advice

We continued to provide high quality, impartial and free information and advice to our prospective students throughout the year. We maintained the Matrix standard this year.

#### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JULY 2023

#### Strategic report

#### Achievements and performance

#### Main achievements of the company

	2022/23	2021/22	2020/21
Students enrolled onto a course at Swarthmore	847	771	555
Courses delivered	165	176	171
Swarthmore (self- financing) students completed and achieved	80.1%	77.4%	n/a
Leeds City Council (non- accredited) students completed and achieved	79.1%	70.1%	84.6%
Leeds City College (accredited) students completed and achieved	67.2%	55.2%	78.3%

#### Fundraising activities and income generation

The Charity does not use any professional fundraiser or commercial participator to carry out activities on the Charity's behalf. Due to the low level of fundraising the Charity undertakes, the Charity is not a participator of any voluntary scheme for regulating fundraising, or any voluntary standard of fundraising for the activities carried out on behalf of the Charity.

This year, the focus for fundraising was to provide access to Swarthmore to those in the community who have not previously engaged, such as refugees and asylum seekers, and those in areas of the city who face financial hardship.

At the end of the financial year a new Hardship Fund was developed to support those in our community to have equal access to courses and workshops at the centre.

#### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JULY 2023

Strategic report (continued)

**Financial review** 

#### **Reserves Policy and Going concern**

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure. The trustees consider three months of expenditure to be the ideal level of reserves. Based on our current operations, monthly expenditure is estimated to be around £150,000, meaning the reserves to be held at 31st July should exceed £450,000. Current free reserves stand at £108,754, backed up by Fixed Assets of £1,114,224 out of total unrestricted funds of £1,222,978. This indicates a deficit of £341,246 in current reserves. The trustees acknowledge the policy, and continue to address all areas for improvement, including focussing on quality and the learner experience.

The implementation of the Business Strategy to develop revenue streams will continue, and is expected to drive an increase in reserves, while also addressing ways to offset further increases in wages and costs that are expected to continue.

#### **Deficit**

Swarthmore Education Centre finished with a deficit of £70,423 in the Year to 31st July 2023 compared to a deficit of £98,924 in the previous year.

Improvements in revenue generation saw total income at around £150K more than the previous year, which in an ordinary year may have seen Swarthmore generate a small surplus, however in 2022/23 the increases in staff salaries following an increase in Minimum Wage, utility costs going up by over 300%, and general supplies seeing significant increases as the Cost of Living Crisis impacted adversely on the surplus/deficit position for the year.

#### Risk management

Financial sustainability is the major financial risk for the charity, especially in the context of a Cost of Living Crisis. A key element in the management of financial risk is a regular review of available liquid funds to settle debts as they fall due and active management of trade debtors and creditors balances to ensure sufficient working capital by the charity. Attention continued to be focussed on implementing systems and procedures to mitigate financial risks where possible.

#### **Principal funding**

The principal sources of income to the Centre were:

- ESFA funding for the Study Programme of £953,270
- Leeds City Council funding of £460,300 (Includes Funding for Inclusion)
- Student Fees of £94,995

The support of our partners continues to be essential in maintaining such a varied programme of courses, including Maths, English, a wide variety of arts, health and wellbeing, and languages.

Swarthmore continues to explore opportunities for additional funding, building upon its relationship with Leeds City Council, and establishing new relationships with funders such as The National Lottery. Over £200K of funding was granted by The National Lottery Community Fund to run a 2-year project. Pressure to retain existing funding streams while establishing new sources continued to be a challenge throughout the year.

#### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JULY 2023

#### **Our Pricing Policy**

Our pricing policy reflects our strategy of enabling all within our community, whatever their means, to take part in our courses and activities.

- Self-financing (Swarthmore full cost) courses resumed in September 2021 and their attendance continues to grow.
- In addition to Self-Financing courses, Swarthmore offers a range of courses funded by Leeds City Council. (Free in the previous year, the charges resumed in 2021).
- Swarthmore is committed to maintaining prices that strike a balance between affordability for students and
  the financial viability of our courses. We understand the importance of making education financially
  accessible. To further this commitment, we have established a Hardship Fund to assist those facing financial
  challenges.

It is the aim of Swarthmore to set prices that are affordable enough to attract students to attend courses, whilst ensuring that enough revenue is generated to make the courses viable. We believe that our courses offer value for money, and course fees will continue to be reviewed.

#### Pay policy for senior staff

The directors consider the board of trustees and the senior management team listed on page 1 as comprising the key management personnel of the charity. All trustees give their time freely and no trustee remuneration was paid. The pay of senior staff is reviewed annually, with the last increase in April 2023.

#### Structure, governance and management

#### Constitution

Swarthmore is an incorporated company limited by guarantee and the company's Memorandum and Articles of Association are the legal framework upon which our governance is based. It is a registered charity with the Charity Commission. Anyone over the age of 18 can become a member of Swarthmore once enrolled on a Swarthmore course, and there are currently 527 registered members.

There was a review of the Memorandum and Articles of Association during the year to ensure that they remain fit for purpose. The updated version was submitted to Companies House on 14 March 2023.

#### Methods of appointment or election of Trustees

As set out in the Articles of Association the chair of the trustees is nominated by the Trustee Council. Up to 13 members of the Trustee Council are nominated by the members of the charitable company, up to 1 are appointed by the Leeds Society of Friends and up to one third may be co-opted by the Trustee Council to provide specialist skills, subject to an overall maximum of 15 members. In accordance with the Articles of Association all officers and co-opted members and one third of elected members of the Management Committee retire at the Annual General Meeting and being eligible, offer themselves for re-election.

#### Organisational structure and decision-making policies

The Trustee Council administers the charity. The Council meets monthly and there are currently three sub-committees covering HR, Health and Safety and Finance who also meet regularly. A Chief Executive is appointed by the Trustees to manage the day-to-day operations of the charity. To facilitate effective operations, the Chief Executive has delegated authority, within terms of the delegation approved by the Trustees, for operational matters including finance, employment, and the activities of the Centre.

#### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JULY 2023

Structure, governance and management (continued)

#### Policies adopted for the induction and training of Trustees

New trustees are given an induction pack and inducted by the Chair of Trustees and other members of the Council. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role. Online training will be made available and it is expected that this will improve accessibility for trustees to take up relevant training.

#### Related parties and co-operation with other organisations

None of our trustees receive remuneration or other benefit from their work with the charity. Any connection between a trustee or senior manager of the charity with any contractual organisation must be disclosed to the full Trustee Council. In the current year no such related party transactions were reported.

#### Plans for future periods

Financial year 2022/23 saw the launch of our three-year business strategy, "Surviving to Thriving". We have made a good and solid foundation in this first year, growing in all areas of our delivery including the study programme, adult education and our secondary business including room hire and cafe.

Swarthmore will continue to nurture our growth through effective partnerships with our commissioners and stakeholders. The human resource strategy will be published, and positive steps taken to put in place a joint consultative committee. Our capital investment plan will enable us to invest wisely and ensure efficient and effective delivery in this area.

Whilst we recognise the current financial climate is not an easy one, the long-term prospects for Swarthmore are good as we have put in place the right policies and systems to continue to deliver high quality education for all, based on a strong values culture that is respectful of diversity.

#### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JULY 2023

#### Statement of Trustees' responsibilities

The Trustees (who are also the directors of the company for the purposes of company law) are responsible for preparing the Trustees' report including the strategic report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

#### **Auditors**

The auditors, Sagars Accountants Ltd, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

Approved by order of the members of the board of Trustees on and signed on their behalf by:

#### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SWARTHMORE EDUCATION CENTRE

#### **Opinion**

We have audited the financial statements of Swarthmore Education Centre (the 'charitable company') for the year ended 31 July 2023 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 July 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SWARTHMORE EDUCATION CENTRE (CONTINUED)

#### Other information

The other information comprises the information included in the annual report other than the financial statements and our auditors' report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

#### Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SWARTHMORE EDUCATION CENTRE (CONTINUED)

#### Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks within which the charitable company operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Companies Act 2006 together with the Charities SORP (FRS102) 2019 and the Education and Skills Funding Agency.

We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charitable company's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the charitable company for fraud. The laws and regulations we considered in this context were Charities Commission Regulations and Health and Safety and safeguarding considerations.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Trustees and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be with regards to the timing of recognition of income and the override of controls by management.

Our audit procedures to respond to these risks included:

- enquiries of management and the Trustees about their own identification and assessment of the risks of irregularities,
- sample testing on the posting of journals,
- reviewing accounting estimates for biases,
- reviewing contracts and carrying out detailed substantive testing on the completeness of income,
- reading minutes of meetings of those charged with governance; and
- obtaining confirmation from the trustees that there was no regulatory correspondence with the Charity Commission or other regulatory bodies.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <a href="https://www.frc.org.uk/auditorsresponsibilities">www.frc.org.uk/auditorsresponsibilities</a>. This description forms part of our auditors' report.

(A company limited by guarantee)

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SWARTHMORE EDUCATION CENTRE (CONTINUED)

#### Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2023

#### 1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Swarthmore Education Centre, 2/7 Woodhouse Square, Leeds, LS3 1AD.

#### 2. Accounting policies

#### 2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Swarthmore Education Centre meets the definition of a public benefit entity under FRS 102.

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### 2.2 Going concern

The directors consider the charitable company to be a going concern and the financial statements have been prepared on that basis. In coming to this conclusion, the directors have considered the residual impact of Covid-19, and the increasing pressures of the Cost of Living crisis through both significant increases in energy costs and the need to meet future wage demands in order to remain competitive and provide a quality education delivery. Recognising that there is a financial impact to the organisation of these decisions, our management have taken two major steps to mitigate the impact by (a) increased controls on costs and (b) passing these on where possible. The three-year business strategy, shared at the 2023 AGM, continues to be used as a basis to further strengthen Swarthmore's financial position for the period ahead.

#### 2.3 Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. Details of these judgements are set out in the accounting policies.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2023

#### 2. Accounting policies (continued)

#### 2.4 Income

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

#### 2.5 Expenditure

All expenditure is inclusive of irrecoverable VAT.

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### 2.6 Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the company will comply with the conditions attaching to them and the grants will be received.

Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2023

#### 2. Accounting policies (continued)

#### 2.7 Tangible fixed assets and depreciation

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

In accordance with SORP 2000 the Management Committee capitalised freehold land and buildings at 2-5 Woodhouse Square, Leeds gifted on 1 April 2003 at their estimated value to the centre of £1,100,000. Subsequently, there has been £270,668 of improvements to the property.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives .

Depreciation is provided on the following bases:

Freehold property - 2% Straight line

Leasehold property - Remaining life of the lease

Fixtures and fittings - 25% Straight line/ 15% Reducing balance

#### 2.8 Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

#### 2.9 Operating leases

Rentals paid under operating leases are charged to the statement of financial activities on a straight-line basis over the lease term.

(A company limited by guarantee)

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JULY 2023

#### 2. Accounting policies (continued)

#### 2.10 Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of the year.

#### 2.11 Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

#### 3. Limited by guarantee

The company is limited by guarantee to the value of £1 per member on winding up.
